

THE CLARION-LEDGER, JACKSON, MISS., MONDAY MORNING, MAY 24, 1954

Voice Of The People - - -

Dear Editor:

To impress the Asiatics, nine misguided political appointees have decided to change the way of life of fifty million Americans in twenty one states of our Great nation. If we red blooded southern Americans submit to this unconstitution-al "judge made law" and surrender our Caucasian heritage of sixty centuries, the malignant powers of communism, Atheism and mon-

grelization will surely follow. Where is our patriotic tradition of courage, honor, integrity and wisdom left us by George Washington, Thomas Jefferson and Robert E. Lee? Are we fit to tread these lands bought for us by the blood, sweat and tears of our unconquerable ancestors and our fallen brethren?
